

Anne Arundel County • Watershed Stewards Academy

Chesapeake Conservation Landscaping Council

Learn how you can successfully apply conservation principals to your landscape at our

RainScaping Garden Tour

Sunday, June 1st

1:00-5:00 pm

**Bus departs from Robinson Crossing:
484 Ritchie Hwy, Severna Park, MD 21146**

Pre-registration is required

This tour is perfect for everyone from garden-lovers to landscape professionals! Board a bus to tour 5 sites in the Severna Park area demonstrating beautiful solutions to water pollution including rain gardens, conservation landscapes, stream restoration and rainwater harvesting. At each location, we will hear from garden designers, installation experts and caretakers to learn tips and tricks to employing these powerful tools in your next project. This event is brought to you in partnership by the **Chesapeake Conservation Landscaping Council** and the **Watershed Stewards Academy**.

**Reserve your seat on the bus through the WSA website: www.aawsa.org
\$20 for CCLC members
\$40 for non-members *includes CCLC membership
Proceeds benefit CCLC and WSA**

Registration includes:

- Membership to CCLC
- One copy of "The 8 Essential Elements of Conservation Landscaping"
- Bus transportation for this event
